## Texas War Memorial Committee

July 27, 2015

The Texas War Memorial Committee has been set up by the Texas National Guard Family Support Foundation to coordinate the fund-raising for a war memorial, "The Price of Liberty", to be sculpted and placed on the capitol complex to honor service members and their families for their great sacrifices made after September 11, 2001.

The Texas War Memorial Fund has been set up under the laws of the state of Texas to receive donations for the memorial. Donations to the fund are tax deductible, as the fund is an authorized activity of the Texas National Guard Family Support Foundation, an IRS §501 (c) (3) charitable organization.

James Stryker has been appointed by the Board of Directors to chair the Committee. Ray Lindner will serve as treasurer, and serve as the liaison with the Board of Directors. Chairman Stryker is authorized to appoint such people to the committee and organize such positions of responsibility as may be necessary to ensure a successful fund-raising campaign, and to effect necessary coordination with the State Preservation Committee regarding the placing, dedication, and perpetual care of the memorial.

All fund-raising activities will be in strict compliance with Internal Revenue Code requirements. Further, all fund-raising is to be accomplished by volunteers; no paid solicitation is authorized by the Board of Directors. The Committee will operate under a strict budget approved by the Board of Directors.

The Committee will make semiannual reports to the Board of Directors, or more often as requested or required.

A handwritten signature in blue ink, appearing to read "Cynthia Smith".
